

ATTACHMENT A

Remarks

By this Amendment, claims 1-3 have been canceled. It is submitted that the present application is in condition for allowance for the following reasons.

In paragraphs 2 and 3 of the outstanding final Office Action, independent claim 1 was rejected under 35 USC § 102 as being anticipated by the Schweitzer patent while claims 2-3 dependent therefrom were objected to as being dependent from a rejected base claim. In order to overcome this rejection and objection, claims 1-3 have been canceled.

In paragraph 4, the examiner indicated that claims 4-9 were **allowed**. As these are the only claims now remaining in this application, and as no other rejections or objections have been made, the present application is now in immediate condition for allowance and such action is solicited.
